

にほんごプライベートコース

Japanese Language Private Course

We have private Japanese language courses either one-on-one or in small groups of 2-3 students.

We will provide you with a customized lessons based on your personal Japanese level, your goals, and the specific content that you want to learn.

The contents of the private course will help you to improve your Japanese in various ways. It includes the following contents:

① Improving basic skills such as reading, writing, listening and speaking skills. ② Enhancing the daily Japanese conversation skills. ③ Helping you with the preparation of the Japanese Language Proficiency Test(JLPT). ④ Training on business Japanese. ⑤ Any other contents that you want to learn and improve. We would like to meet your needs.

We offer weekly, multi times a week, as well as a short-term intensive course (e.g. minimum of one month or more than one month).
